:: Work History ::

BET News & Public Affairs (Freelance Editor, 2006 – present)

Edit various half-hour & one-hour length documentaries, talk shows, and news packages. Projects included some of the highest rated original programming produced at BET.

The SGNY Group (Freelance Editor, 2010 – present)

Edit short-form videos intended for live presentation, web, and DVD distribution. Clients include start-up & mid-sized companies in the medical/pharmaceutical field.

Derek Dudek Studio, LLC (Freelance Editor, 2007 – present)

Edit corporate and live event videos for large and mid-sized companies in fields ranging from financial services to pharmaceutical/biomedical. Work is generally prepared for web, DVD and projection.

The House, Inc (Freelance Editor, 2004 – 2011)

Hired first as an assistant editor in 2004, then promoted to editor in 2005. I have assisted on two separate eight-episode series produced for ESPN2 and have edited two separate twelve-episode series for TvOne.

Argonaut Films (Freelance Editor, 2007 – 2009)

Edit various internal communications and live event videos for pharmaceutical company Pfizer, Inc.

Hock Films (Editor, 2004 – 2006)

Worked intermittently between 2004 - 2006 cutting two seasons of, "It's the Shoes" for ESPN2. Performed additional editing for 2 seasons of docu-series, "And 1 Streetball" and assisted in post for, "Through The Fire" documentary.

Spin Cycle Post (Staff Assistant Editor, 2000 – 2001)

Duties included : digitizing, and outputting footage, organizing dailies, media management and preparation, sound effect research and management, assisting with ADR/Foley sessions, trouble shooting and maintenance of six (6) Avid Media Composer suites six (6) Avid Audio Vision suites, a Foley/ADR studio, plus all peripheral equipment.
